

# WOW 2020-2021 Directions

- Please check ALL the tabs along the bottom of the schedule - Offsite, Fall Thursday, Winter Thursday, Fall Tuesday, Winter Tuesday
- Each WOW course name has a link that takes you directly to the course description for that course.
- This is a FULL YEAR registration! You will be asked to pick courses for both semesters. There will be a 1 WEEK change time in November to allow for changes in the classes; after that week, changes will be \$50 per change and based on availability in the class.
- Keep in mind, offsite courses are limited to 2 per student, per semester.
- Always have an alternative in mind, as classes do fill quickly. You may also ask to be placed on a waitlist, and if there is a spot that opens, you will be changed to your first choice for free, prior to the semester beginning.
- The self-pay discount is still available for \$100 per course if you have reached your limit of OVA funded courses. This rate is nonrefundable after the add and drop date. If you chose the \$200 full self-pay rate, and a quarantine situation occurs again you will receive a prorated refund for the weeks we are not able to meet; you will not receive access to the zooms for the course with a refund.
- If a parent is not onsite, students MUST have a class each hour they are on the premises. For grades 7-12, students may serve in a volunteer capacity. If a student would like to volunteer in a particular course, they MUST have prior approval from the instructor, who then must let me know. In the TBD courses, please contact me :) With this position, they are expected to be an aide, and must be willing to help each week for the entire hour- attendance will be taken.

## Section 1:

- Be sure to put your complete, correct email address! This will be used to provide a copy of your choices.
- Student names should be in LAST NAME, FIRST NAME format please
- DOB
- Please chose grade level for 2020/21
- Please choose enrollment status for 2020/21
- If this is a new OVA student, please be sure to follow up with completing the OVA process if you have not already.
- Please indicate ANY other OVA funded courses, including online OVA courses
- Please indicate any self pay courses, including extra courses taken over the OVA funded courses; this includes strictly self pay OVA courses.

**Section 2:** Family information only needs to be completed with the first student registration. Choosing “yes” will bypass the family information section.

**Section 3:**

-Please complete all family information accurately, especially phone numbers. Provide at least two numbers for contact.

**Section 4 & 5 :**

-If your student has an Epi Pen, please indicate where this will be if they are onsite, as well as complete the EpiPen waiver (which will open in a new window).

**Section 6 & 7:**

-If your child has any medical conditions or allergies, please complete the medical form (which will open in a new window).

**Section 8: FALL COURSE SELECTION**

-Please remember Part Time students will have 4 funded electives, Full Time Hybrid will have 2 funded electives, and students “flexing a subject” will have an extra elective for that subject.

**\*\*Also, keep in mind, students flexing a subject will have to be directly supervised by a parent on Tuesday during that off hour, or will need to be picked up during that time.\*\***

**Section 9: SPRING COURSE SELECTION**

-Please remember Part Time students will have 4 funded electives, Full Time Hybrid will have 2 funded electives, and students “flexing a subject” will have an extra elective for that subject.

**\*\*Also, keep in mind, students flexing a subject will have to be directly supervised by a parent on Tuesday during that off hour, or will need to be picked up during that time.\*\***

**Section 10-12:**

-High school courses are listed by time, but K-8 are listed by level. These times will be determined after registration based on numbers. You will only need to choose the appropriate level for these grades.

- There are 2 days of math- instruction on Thursday, instruction and testing on Tuesday.
- MS students (English 6,7,8) are highly recommended to choose 1 of the MS writing lab times on Thursday. The full benefit of instruction will not be there without this second day. Although I planned on offering a free ELA based elective for 1-5, there is just not space or availability to do so :/ I apologize!!
- Prior to registration, for new students to hybrid, please check your appropriate reading levels for 1-3rd grade, and math for all levels. It is ideal for your child to be on the

correct level from the beginning!! **ONE SET OF CURRICULUM WILL BE PURCHASED BY WOW BASED ON PARENT INPUT!** If the level is incorrect, you will be placed in the correct course onsite, but will be required to purchase your own materials. If your child is more than 1 level up or down from their registered grade level, or struggles with reading or math, please reach out for further instruction.

- **Math U See Assessment:**  
<https://www.mathusee.com/schools/teacher-resources/placement/placement-tests/>
- **All About Reading Assessment:**  
<https://www.allaboutlearningpress.com/placement/#aar-placement>
- High School Students: Please see the attached OVA graduation requirements for required courses. A consultation with an OVA counselor is highly recommended to be sure you are on track for graduation:
  - OSEC: Mark Suckley [mark.suckley@oxfordschools.org](mailto:mark.suckley@oxfordschools.org)
  - Full time students: Amy Greenspan [Amy.Greenspan@oxfordschools.org](mailto:Amy.Greenspan@oxfordschools.org)

### **Section 13:**

Waitlist and Volunteer Positions

### **Section 14:**

-Please complete all required forms (click links). Submit via email, upload to form, or mail to the provided address.

**Thank you!**
